

Small Business Owners!

Are you ready to GROW?

Presented by the NWTC Small Business Initiative

What is the GROW Grant?

This two-part program series is designed to help small business owners grow their business beyond the "first stage" or microenterprise level.

Business owners will participate in a valuable workshop series that will identify key entrepreneurial talents, focus on developing and directing skills, as well as composing an effective One Page Business Plan.

Does your business qualify?

For businesses to participate in technical assistance, they must meet the following criteria:

- Business is located in Florence, Kewaunee, Marinette, Oconto & Shawano County WI
- Less than 10 employees
- Annual revenue under \$1million
- Desire to grow!
