The number one issue facing most organizations today is finding and retaining great talent. In this interactive and information-packed session, Chris Czarnik will focus on new ideas in recruiting, retaining and developing talent for your organization. These zero cost ideas will allow you to define and market directly to your ideal candidates for your organization regardless of the job type or level.

Chris Czarnik is a national career search and talent acquisition expert with 20 years of HR, training and conference speaking experience. His third book, "Winning the War for Talent" was released in July of 2018 and serves as a talent model to more than 2,500 organizations across the country.

Presented by Shawano County Economic Progress, Inc in partnership with Shawano Country Chamber of Commerce, Presenting Sponsor AbbyBank and Supporting Sponsor KerberRose S.C..
